APS Facility Parking Instructions

There is a public parking garage located immediately north of the APS building at the corner of 5th and Fillmore Streets. The garage can be accessed from either of the two streets. **Please bring your parking ticket to the meeting so that you may have it validated upon your exit.**

Security Information

You will need to check in at the APS Security station in the main lobby before you will be granted access to the facility. Please bring a photo ID with you when signing in. **It is important that you RSVP as attending the meeting so that we may provide a complete list of guests to APS Security.**
