Dear Salt Lake City Area Integrated Projects Customer:

In February, Western Area Power Administration (Western) held two customer meetings concerning its proposed strategic planning process. Due to the level of customer interest, Western agreed to host a follow-up meeting to allow further discussion with its customers.

Meeting Date: April 24, 2008
Meeting Time: 1:00 p.m.
Meeting Location: Western's Corporate Services Office
12155 West Alameda Parkway, Lakewood, CO

Please RSVP to corpcomm@wapa.gov or telephone (720) 962-7050 if you plan on attending this meeting.

Please note that access to Western facilities is controlled, and a U.S. citizen wishing to attend must present an official form of picture identification. For foreign nationals who may be attending the meeting, please contact Pam Garcia, pgarcia@wapa.gov, (720) 962-7297 prior to March 26 to complete the necessary paperwork.

If you have any questions, please telephone me at (801) 524-6372.

Sincerely,

A handwritten signature in black ink that reads "Bradley S. Warren".

Bradley S. Warren
