# Voltage Coordination

## CCPG Meeting

April 27, 2011

John Collins

# Voltage Coordination Guidelines

## (Rocky Mountain Area)

### Topics for 2011 Annual Review:

- Compare Operator & Planner uses of the Guidelines
- Understand differences between “planning criteria ranges” and “operating ranges”
- Clarify how system is planned for Operators to maintain Ideal Voltage ranges in the future
- Review the key locations where voltages are monitored
- Verify compatibility with reliability standards
- Guideline considerations in WECC base case preparation

# Voltage Coordination Guidelines

## (Rocky Mountain Area)

### Next Meeting:

June 1, 2011  
0900 – 1130  
Tri-State Offices
