

Transmission Corridor Working Group

Nov. 15-16, 2011

Progress to Date

- Last SWAT meeting discussion on reaching out to State and Federal and Tribal entities
- Created a generic presentation (see attached in SWAT materials)
- Set up calls with AZ and NM BLM, and AZ USFS
- Still working on:
 - NM USFS
 - Tribal
 - State lands

Themes from Calls

- Thank you for the outreach and overview of coordinated efforts
- Had no idea about all of these projects
- Wanted data on field offices (what staff will be affected and coordinated)
 - Shared data on plans and GIS
- Continual updates appreciated

Next Steps

- Continue updates and calls to tribes, states
- Update the federal agencies on projects
 - Have call with TWCG to coordinate next steps and update presentation

Look into additional conferences and meetings with public agencies to share information

Conference call scheduled for January 2012
