To: Western DSW Transmission Planning Stakeholders

Subject: Western DSW Planning Stakeholder Meeting

Western's Desert Southwest Region (DSW) invites you to a Western DSW Transmission Planning Stakeholder Meeting from 9:00 a.m. to 11:00 a.m. MST on Thursday, June 9th, 2011, at the Western DSW Regional office located at 615 S. 43rd Avenue, Phoenix, AZ 85009.

The meeting is being held to satisfy the local transmission planning process requirements outlined in Western's Open Access Transmission Tariff (OATT). DSW's FERC Order 890 planning process as implemented in Attachment P (Transmission Planning Process) of Western's OATT will be outlined and the planned studies for 2011 will be introduced.

Attached is a registration form for the meeting. If you plan to attend the meeting, please print and fill out the registration form indicating whether you plan to attend in person or via conference phone bridge. A limited number of conference bridge participants are available and therefore participation will be limited to one per company and available only on a first come first served basis. Instructions to join the conference bridge will be forwarded to those that respond via the registration form.

For those attending the meeting in person, in order for entry into the facility you must be a U.S. citizen and provide a picture ID.

Western DSW looks forward to meeting with you and receiving your input during this meeting.

Sincerely,

Mike Olson
Transmission System Planning Manager
