Subject: Save the Date- WestConnect FERC Order 1000 Meeting October 24th

You are receiving this invitation because you have been identified as an interested stakeholder in the WestConnect footprint. The WestConnect Steering Committee is hosting a meeting to facilitate discussions on FERC Order 1000. The purpose of this meeting is to solicit stakeholder input and develop an action plan regarding implementation of FERC Order 1000. This meeting will be facilitated by an independent 3rd party to provide a neutral discussion environment for all participants. For your reference, we have attached the FERC Order 1000 informational presentation given by FERC staff on September 13, 2011.

When: October 24, 2011

Where: Tri-State Office,
