To: Western DSW Transmission Planning Stakeholders

Subject: Western DSW Planning Stakeholder Meeting

Western's Desert Southwest Region (DSW) invites you to a Western DSW Transmission Planning Stakeholder Meeting from 9:00 a.m. to 11:00 p.m. MST on Tuesday, December 14<sup>th</sup>, 2010, at the Western DSW Regional office located at 615 S. 43<sup>rd</sup> Avenue, Phoenix, AZ 85009.

At the meeting, we will outline DSW's FERC Order 890 planning process as implemented in Attachment P (Transmission Planning Process) of Western's Open Access Transmission Tariff (OATT) effective 12/1/2009. We will also introduce the planned studies for 2011. The meeting is being held to satisfy the local transmission planning process requirements outlined in Western's OATT. A proposed agenda is attached. Your comments on the draft agenda are welcome and may be sent to the Western DSW Transmission System Planning Manager ([dswplanningmanager@wapa.gov](mailto:dswplanningmanager@wapa.gov)) by December 9, 2010.

Attached is a registration form for the meeting. If you plan to attend the meeting, please print and fill out the registration form indicating whether you plan to attend in person or via conference phone bridge. A limited number of conference bridge participants are available and therefore participation will be limited to one per company and available only on a first come first served basis. Instructions to join the conference bridge will be forwarded to those that respond via the registration form.

Western DSW looks forward to meeting with you and receiving your input during this meeting.

Sincerely,

Mike Olson  
Transmission System Planning Manager  
Western Area Power Administration (WAPA)  
Desert Southwest Region (DSW)
